

We remember, with love, the Six Million whose lives were taken during the Holocaust. We also remember, with love, those who were taken from our midst this week in years past and commemorate the anniversaries of their passing.

Book Club Discussion: *The Nightingale* by Kristin Hannah

Friday, July 10 at 10:00am

The Nightingale tells the "stories of two sisters, separated by years and experience, by ideals, passion, and circumstance, each embarking on her own dangerous path toward survival, love, and freedom in German-occupied and war-torn France. It's a heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women. The author captures the epic panorama of World War II and illuminates an intimate part of history seldom seen—the women's war."

Currently listed on the NYT best seller's list.
Join the TBA Book Club for a discussion of this historic novel.
