

We recall those recently departed.

Dorothy Greenspan, mother of Rhonda Siegel

We remember, with love, the Six Million whose lives were taken during the Holocaust. We also remember, with love, those who were taken from our midst this week in years past and commemorate the anniversaries of their passing.

Every 1 Counts!

TBA is once again repurposing the ancient ritual of counting the 49 days of the *Omer* between Passover and *Shavuot*. By collecting *zedakah* to feed the hungry, we re-imagine an ancient ritual to remind us of the important connection

between Exodus and the giving of Torah, to gain a deepened spiritual sense of gratitude, and to provide a way for our congregational family to celebrate and participate in repairing the world.

Look for your package in the mail with items to help you count with us.
