HEARING LOOP INSTALLED
Switch hearing aid to T-coil

Our sanctuary is equipped with a hearing induction loop. If you have a hearing aid or cochlear implant equipped with a t-coil, please flip the switch which engages the t-coil. The sound from the microphones will be transmitted directly to your hearing device.

We recall those recently departed.

Lorraine Marshall, mother of Jonathan Marshall
Frances Hirsh, mother of Larry Hirsh

We remember, with love, the Six Million whose lives were taken during the Holocaust. We also remember, with love, those who were taken from our midst this week in years past and commemorate the anniversaries of their passing.

***What We Talk About When We Talk About Anne Frank*
by Nathan Englander**

Linda Gerstman will lead us in the book discussion. This book is a series of short stories in which characters reveal and define themselves through their embrace of Jewish orthodoxy and tradition, tackling questions of morality and history. In each story the reader is made to see events from the storyteller's perspective, but there is never just one perspective, the idea being to show how difficult it is to adopt someone else's viewpoint.

Free for Temple members; \$2.00 for guests. RSVP (914) 631-1770 or email AdultEd@tba-nyc.org
