We remember, with love, the Six Million

Movie Mavens Presents: *Nora's Will*
Saturday, March 17 at 7:00pm

Nora commits suicide in a timely way consistent with her plan to bring her ex-husband Jose, and the rest of their family together for Passover. Before she died, Nora had devised a Machiavellian plan in order for him to take care of her funeral, but she missed something; a mysterious photograph left under the bed will lead to an unexpected outcome which will remind us that sometimes the greatest love stories are hidden in the smallest places.

Every1Counts—Tell Us What Being Jewish Means to You?

It's almost Passover. And that means that *Shavuot* is not far behind: 50 days from 2nd *Seder* to be precise. And in between, we have the period known as the Counting of the *Omer*. Since 2012 we here at TBA have turned it into an amazing program called Every1Counts (E1C).

This year, we'd like to share your voice with the congregation!
 As Jews, we are taught that we all stood at Sinai and said, "*Naaseh v'nishma*: we will do and we will listen." This year we wish to enhance our community by listening to each other, so we are asking you to tell us, in 150 words or less, "What Does Being Jewish Mean to You?" Then, each day of the 49 days of the *Omer*, we will share one response to the question. Please share your response to the question on the form at: bit.ly/E1C2018FORM or you can email your response to: everyonecounts@tba-n-y.org
