Vote in the World Zionist Congress Elections -Now Through March 11

Now is your chance to have your voice heard in Israel and make a difference in Israeli society. This is our chance to combat the discrimination the Reform, Conservative, and Reconstructing Judaism Movements face in Israel. Each and every vote from our congregation is crucial to maintaining a strong presence for all streams of liberal Judaism. Together we can work towards making progress on issues we care about : religious freedom, equality, diversity, and peace with dignity and security.

In order to vote in the WZO elections:

1. You must consider yourself Jewish
2. You must be 18 years of age or older.
3. You must be a resident of the United States
4. The cost to vote is \$7.50

Religious School will be closed through Sunday, February 23 for the Presidents' Week Break. Classes will resume on Monday, February 24.

Our building project is moving forward, albeit at a slower pace than we anticipated. We are scheduled to appear before the Tarrytown Planning Board on February 24.

We have had several meetings and conference calls with our architects, professional engineers, and legal advisers to resolve as many issues as possible prior to this meeting. It is our expectation that we will begin construction this Spring and that the project should be completed in approximately 9 months. Religious services and Temple programs will continue throughout. And of course no construction will take place during Shabbat or on the High Holydays.

We will announce a date for an informational meeting to review our plans for this project and a Q&A will follow.

For information about how to get involved or to make a gift, contact the Roy Solomon at bridges@tba-ny.org or call Stuart Skolnick at the Temple.

"A powerful, moving novel of faith, love and acceptance."
"California girl Lola has her life all set up when suddenly, without warning, everything tragically implodes. After years of fruitlessly searching for love, marriage and children, she decides to take a radical step by seeking spirituality and meaning in the insular, ultraorthodox enclave of Boro Park, Brooklyn." There, Lola will face choices that will ultimately decide her fate.
