

We recall those recently departed:

Richard Lang, brother of Gail Wainer
Lawrence Gratz, uncle of Carly Jacobs

We remember, with love, the Six Million whose lives were taken during the Holocaust. We also remember, with love, those who were taken from our midst this week in years past and commemorate the anniversaries of their passing.

Our building project is moving forward, albeit at a slower pace than we anticipated. We made our initial presentation before the Tarrytown Planning Board on February 24. We continue to work with our architects, professional engineers, and legal advisers to resolve as many issues as possible as we prepare for our next meeting with the Planning Board on March 23.

Once we have all of the approvals and permits needed from the town, construction will begin and it's anticipated that the project should be completed in approximately 9 months. Religious services and Temple programs will continue throughout. And of course no construction will take place during Shabbat or on the High Holydays.

We will announce a date for an informational meeting to review our plans for this project and a Q&A will follow.

For information about how to get involved or to make a gift, contact the Roy Solomon at bridges@tba-ny.org or call Stuart Skolnick at the Temple.
