Learn about creating and joining a CHAVURAH at TBA:

What is a chavurah? It is a small group of temple members who are brought together based on common interests. A chavurah group is made up of individuals and/or families who usually get together monthly. This program is available to all TBA members and provides a wonderful way to get to know others and to build lasting friendships with fellow synagogue members.

How do I join? Call the office and request an application and return to: Member Services at Temple Beth Abraham.
