### **Learn about creating and joining a *CHAVURAH* at TBA:**

*What is a chavurah?* It is a small group of temple members who are brought together based on common interests. A chavurah group is made up of individuals and/or families who usually get together monthly. This program is available to all TBA members and provides a wonderful way to get to know others and to build lasting friendships with fellow synagogue members.

*How do I join?* Call the office and request an application and return it to Member Services at Temple Beth Abraham.
