

Chanukah can be a time to reexamine what we consider to be a gift and how we go about giving and receiving gifts. Many of those in our congregation are blessed with enough to eat, a warm roof over their heads, an opportunity for education and sufficient clothing.

This Chanukah, and throughout the year, we can use our riches to ensure the wellbeing of all of God's children. We can become excited not only about the great gifts we'll receive, but also about the ways we can use our blessings and our gifts – by making monetary donations, material donations, volunteering, and participating in advocacy – to ensure the well-being of all of our brothers and sisters.

From Rac.org

This year TBA is offering at least 4 different ways for you and your family to share your abundance with those less fortunate

#1: 4th Annual LIGHT ONE CANDLE –

Tikkun Olam will be at Latkepalooza on Dec. 2 and at family services on Dec. 7.

- This year we are providing an opportunity for the parents in the La Asociacion program to experience the joy of purchasing gifts for their own children!

- We are hoping to purchase gift cards for at least 150 children!
- Please donate \$20 (cash or check) and we will purchase gift cards for a local toy store. The parents will purchase the cards from La Asociacion for \$5 and then go shopping!!
- If you are unable to attend either of these events, mail a check made out to TBA (Light One Candle on the memo line) so that we receive it by December 10.
